GREETING

Greetings and congratulations to you, the Class of 1973:

As we look toward the future, an ever-increasing need is evident for peaceful, co-operative and harmonious cohabitation of all people on this planet. If our educational system were to serve this need alone, it would reach goals beyond all expectations.

Your class has contributed more toward this end than any group of young people I have known. You have continuously exhibited a desire for peaceful solutions to challenges at school, both large and small. Your prom and your ring ceremony depicted the ultimate in co-operative planning and harmonious relationships.

In the process of cementing two school communities, you have proven that co-operation is the "order-of-the-day" and that you have achieved a maturity not often attributed to your age.

You are leaving behind a Taconic Hills High School which was made better by your presence, and entering a world which is truly in need of your talents. I am proud to have had a small part in your short stay here and extend best wishes for your future happiness.

Sincerely,
Howard M. Rhodes
High School Principal

SCRIBBLES

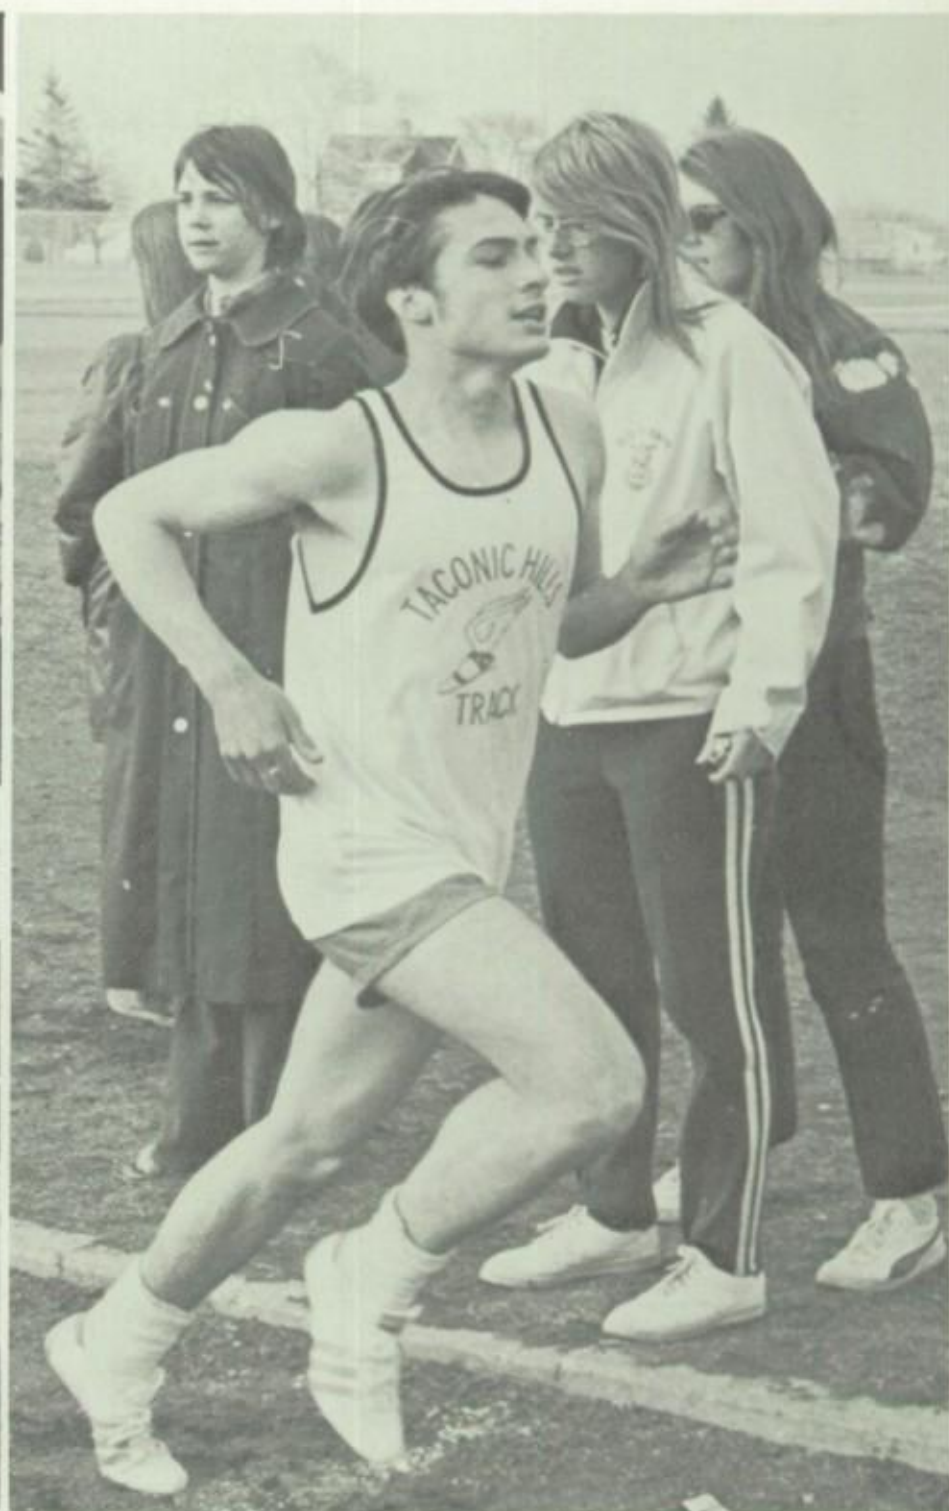

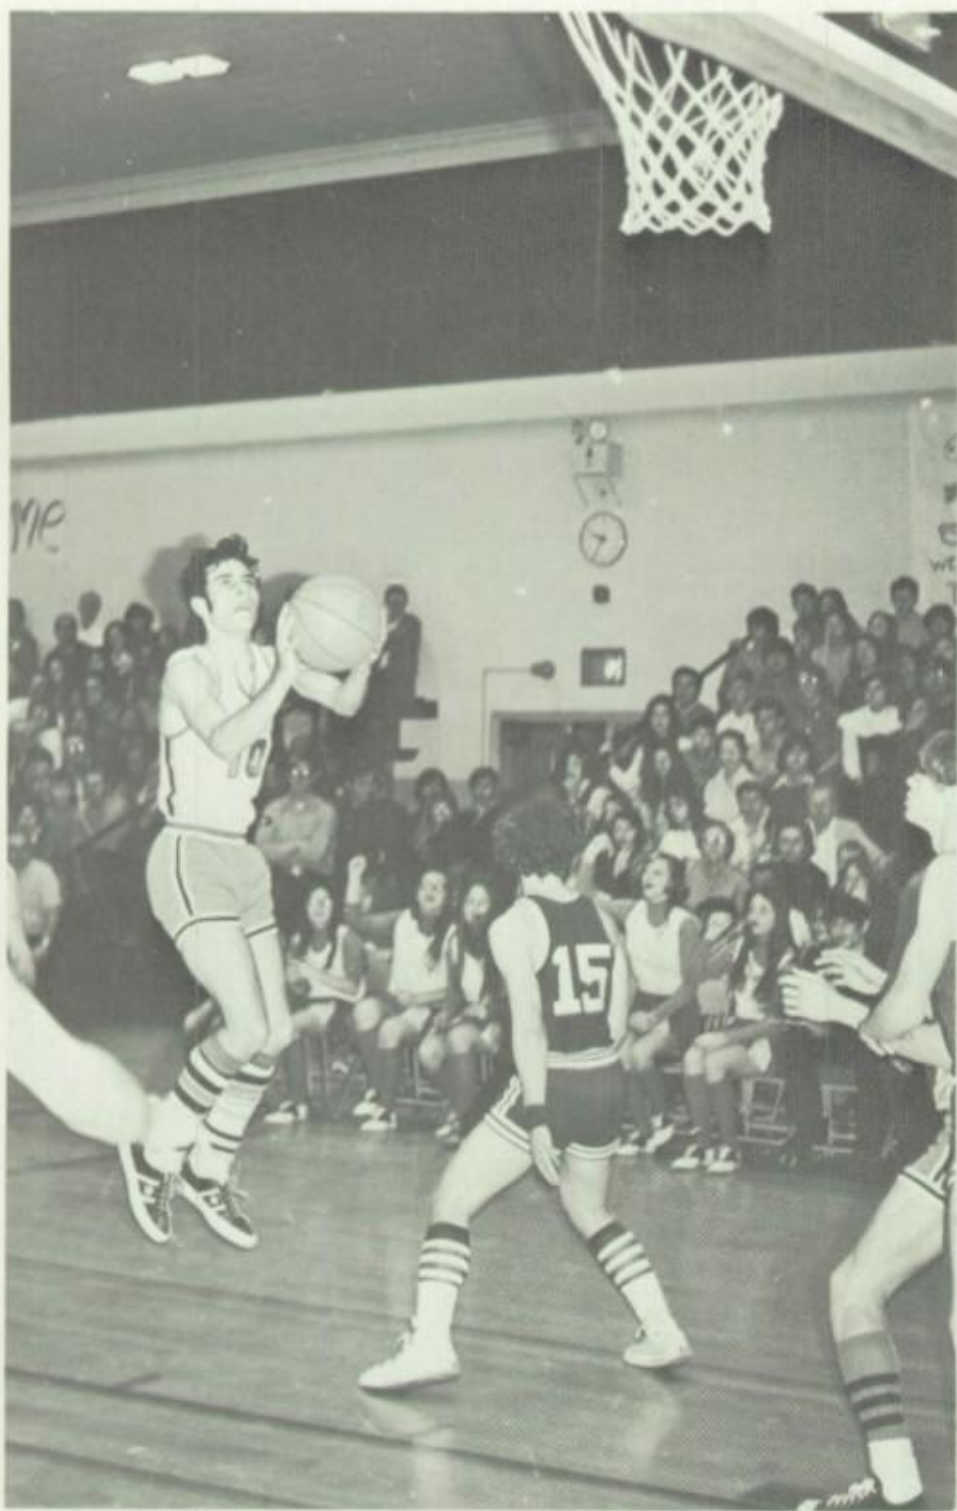

SCHOOL SONG

Here's to Taconic
Land of the sky,
Wind, trees and sun that I love.
Here the hills say that I belong,
Proud, strong and tall and free.
All hail to Taconic,
All hail to the hills,
And all we know as true.
With things of pride,
Deep down inside,
We always will remember you.

Its Victorian splendor, which never included a pot-bellied stove, has been fully restored complete with its original furnishings. Shop for antiques, gifts, and fine foods in the opulence of the 1890's any day of the year from 10 AM to 6 PM.

Our special thanks to Mr. Knitt and the photography club for their help in our yearbook's photography.

Thanks also to Tom Wambach for the cover design and art work.

There are places I'll remember all
my life, though some have changed.
Some forever, not for better, some
are gone and some remain. All these
places had their moments with lovers
and friends I still recall. Some are
dead and some are living, in my life
I loved them all.

The Beatles
